Description

177 Booth Street is fronted by a two storey office with a warehouse to the rear and parking and yard to the side. The warehouse to the rear is of steel portal frame, part brick and part insulated metal profile clad. The maximum eaves height is 20 ft (6.1m) and a mezzanine area has been added in the warehouse for storage. Heating is from a gas fired blower. Access is via an electric roller shutter door of 14ft (4.1m) high and 15ft (4.5m) wide that leads into an open secure yard that can be used for storage and parking. To the front on the Booth Street elevation is a two storey office building of brick construction that has a gas powered boiler that provided heating via radiators.
